Art Week: Birds and Nature

The school has been a hive of creativity this week as the children set about producing work for our Art Gallery on Friday. In every corner of the school there has been paint, toilet rolls, egg boxes, pom poms, wool, glitter and smiling faces. The children have worked individually and collaboratively and the results are highly impressive.

Thank you to the many volunteers who have run workshops and supported the children to produce such stunning pieces. The children are really proud of what they have achieved.

The centre piece of the gallery is the tapestry that has been produced by the whole school. Every child has contributed something to this piece which is stunning and will find a permanent home soon for everyone to enjoy.

A huge thank you to Mrs Elsmore who has worked tirelessly to organise the workshops and resources and put the gallery together. She has inspired us all to look more closely at the world around us, be creative and enjoy working together as a team. Thank you also to Amedeo, our cleaner, who has had a very busy week too!!

Girls' Cricket

On Thursday our year 5&6 girls' cricket team competed in the Waverley Kwik Cricket Tournament at Farncombe Cricket Club. The girls played amazingly with accurate bowling and some storming batting! They ended up winning all of their games and reaching the final against a strong Losely Fields team who racked up a big score of 70 runs from 8 overs. Our girls played magnificently and managed to reach 77 runs to win the final and bring home the trophy for WSG. Another amazing success for the pink army!
